BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

APPLICATIONS FOR A WAIVER OF	)	
CERTAIN FILING REQUIREMENTS IN	)	CASE NO. 95-203
807 KAR 5:058 - INTEGRATED RESOURCE	)	
PLANNING BY ELECTRIC UTILITIES	)	

O R D E R

The Commission has received applications for waivers, pursuant to 807 KAR 5:058, Section 3, of the requirements in 807 KAR 5:058, Sections 1 and 2, to file an integrated resource plan in 1995 from Kentucky Utilities Company ("KU"), Kentucky Power Company ("Kentucky Power"), East Kentucky Power Cooperative, Inc. ("EKPC"), Louisville Gas and Electric Company ("LG&E") and The Union Light, Heat and Power Company ("ULH&P"). The Commission has also received a letter from Big Rivers Electric Corporation ("Big Rivers") dated November 21, 1994 requesting an extension of the filing date of its 1995 integrated resource plan which the Commission is treating as an application for a waiver of the filing requirements in 807 KAR 5:058, Sections 1 and 2.

In January 1995, the Commission in accordance with KRS Chapter 13A commenced the process of modifying 807 KAR 5:058. The Commission proposes to amend Sections 1(2) and 2(1), among others, of 807 KAR 5:058 so that the overall filing period for integrated resource plans would be lengthened from two to three years and the time between filing individual utility plans would be similarly lengthened. Furthermore, the modification would stagger the filing of utility plans on six-month intervals. Hence, the proposed

amendments would change the filing dates for the utilities mentioned above from September, October, or November 1995 to dates yet to be determined.

The Commission, having reviewed the evidence of record and being otherwise sufficiently advised, finds good cause to grant the requested waivers of the requirements in 807 KAR 5:058, Sections 1 and 2. The filing dates for the next integrated resource plans of these utilities will be established at the time of or immediately following the promulgation of 807 KAR 5:058.

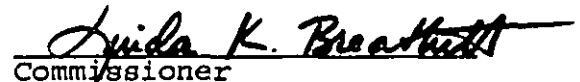

IT IS THEREFORE ORDERED that the 1995 integrated resource plan filing requirements contained in 807 KAR 5:058, Sections 1 and 2, shall be waived for KU, Kentucky Power, EKPC, LG&E, ULH&P, and Big Rivers.

Done at Frankfort, Kentucky, this 5th day of May, 1995.
